

OsiriX Viewer from Codonics

OsiriX is ideal for viewing DICOM images produced by a variety of modalities including MRI, CT, PET, and PET-CT with image formats including TIFF, JPEG, PDF, AVI, MPEG and QuickTime. It is fully compliant with the DICOM standard for image communication.

Codonics Virtua® Medical Disc Publisher is the new standard for speed, efficiency and ease of use in automatic disc recorders. Virtua allows you to include the industry's leading viewers while its brilliant, full color disc labels increase your brand awareness.

For PACS and
general radiology*

- Specially designed for Apple® Mac® OS X 10.5 or later
